1. [REDACTED] has now come in on several occasions requesting support related to [REDACTED]. Such support involves procurement of photography in the areas of interest, briefing materials, and concerns the subject which generally it is the responsibility of Intelligence to handle. In the event that [REDACTED] should progress beyond the planning stage, a considerable amount of work has to be done by Intelligence in preparation for such a move. This involves the selection and plotting of targets for [REDACTED] the discussion with analysts and Intelligence officers in Intel concerning survivability and the like. In order that Intelligence can prepare itself now in a timely fashion to act on its responsibilities, it is respectfully requested that the following officers in Intelligence Division, OSA be briefed for [REDACTED]:
